CORECOMPETENCIES

- HTML5, CSS3, JavaScript (ES6+), React.js
- Redux, Context API, TypeScript
- Responsive design, Bootstrap, MUI
- RESTful API integration
- Chart.js, ApexCharts
- Git & version control
- WordPress
- SQL & database handling

TECHNICAL SKILLS

- Programming Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript, SQL
- Frameworks: React.js, Redux, Bootstrap, Material-UI (MUI)
- Libraries: Context API, jQuery, Chart.js, ApexCharts
- Databases: MySQL
- Version Control : Git
- Tools & CMS: WordPress
- Design & Development Principles: Responsive Design, Cross-Browser Compatibility, RESTful API Integration
- Operating Systems: Windows

ACADEMIC DETAILS

- Master in Computer Application , Sant Gadge baba Amravati University 2024

PERSONAL DETAILS

- Address: Amravati, Maharashtra
- Languages Known: English, Hindi & Marathi

ACHIEVEMENTS

Built and deployed responsive web apps using React.js and modern UI frameworks.

Created dynamic dashboards with Chart.js and ApexCharts for data visualization.

PROFILE SUMMARY

- Skilled Frontend Developer with 6 month of experience building responsive, high-performance web interfaces using HTML5, CSS3, JavaScript (ES6+), and React.js.
- Strong focus on user experience, translating UI/UX designs into scalable, visually engaging, and cross-browser-compatible applications.
- Collaborative problem-solver, adept at performance optimization, debugging, and applying best practices to deliver maintainable and innovative web solutions.

WORK EXPERIENCE

Ordinet Solutions Pvt .Ltd , Amravati | Frontend Developer | Feb 2026 – Present
Skills : HTML, CSS, JavaScript, and React.js,Git Hub

- Developed and maintained responsive web applications using HTML5, CSS3, JavaScript (ES6+), and React.js, ensuring seamless user experiences across devices and browsers.
- Built modular and reusable components in React.js, implementing state management with Redux and Context API for efficient data handling.
- Integrated RESTful APIs to fetch dynamic data and implemented interactive UI elements for real-time updates.
- Designed mobile-first, cross-browser-compatible layouts using Bootstrap and Material-UI (MUI), enhancing UI consistency and usability.
- Utilized TypeScript to enforce type safety, improve code readability, and reduce runtime errors. Collaborated with backend and design teams to translate requirements into functional and user-centric interfaces.
- Created dynamic dashboards and visual data representations using Chart.js and ApexCharts, providing users with actionable insights.
- Managed codebase using Git, ensuring version control, collaborative workflow, and clean commit history.

PROJECTS UNDERTAKEN

NexGen Ai

- Designed and developed Fully Responsive UI Using React.js, HTML, CSS, Bootstrap, and MUI Material,Typescript.
- Implemented React.JS Components for Seamless Booking Experience.
- Ensured cross-device compatibility with a mobile-first approach

Vistaar AI

- Developed a comprehensive real estate management dashboard using advanced technologies.
- Leveraged HTML, CSS, Bootstrap, Gridstack, React.js, and ApexCharts to create a user-friendly platform for analyzing project data, visualizing key metrics, and gaining valuable insights.
- Incorporated AI-driven suggestions to improve profitability and ensure optimal decision-making.

Artiquity

Designed and developed responsive web pages using HTML, CSS, and JavaScript, ensuring seamless performance across devices.
Built the dashboard interface using React.js, focusing on clean UI design, usability, and component reusability.

MSPHC

Developed a responsive web application using HTML, CSS, Bootstrap, with javascript for dynamic interfaces.
Utilized Chart.js for data visualization, creating insightful graphs
Designed modules for onboarding organizations and employees, task assignment, work allotment . ensuring a seamless user experience with CSS and Bootstrap for styling and responsiveness.

MIS

Designed and developed the complete frontend of a medical education website UI Using HTML, CSS and PHP.
The website allows users to browse and download medical study materials and e-books.
